

Aditya Kulkarni

B.Tech - Chemical Engineering

Graduating Year: 2025

Email: aditya.kulkarni@college.edu | Phone: +91-9840179095

Career Objective

Motivated final-year engineering student seeking an entry-level opportunity to apply technical knowledge and problem-solving skills.

Technical Skills

- Problem Solving
- Team Collaboration
- MS Office
- Basic Programming
- Project Management

Academic Projects

- Final Year Project related to core specialization.
- Mini Project demonstrating engineering fundamentals.

Education

B.Tech in Chemical Engineering - XYZ Institute of Technology (2021–2025)

Higher Secondary - ABC School (2021)
